UNDERSTANDING DIGITAL LITERACY & ONLINE BEST PRACTICES

WHAT IS DIGITAL LITERACY?

1. **USING TECHNOLOGY**
   Navigating devices, software, platforms.
2. **FINDING INFORMATION**
   Searching effectively, accessing digital content.
3. **EVALUATING INFORMATION**
   Critical thinking, fact-checking, spotting fake news.
4. **CREATING CONTENT**
   Making digital media, blogs, or presentations.
5. **ETHICAL USE**
   Understanding copyright, fair use, digital citizen responsibilities.

SAFE INTERNET PRACTICES

1. **STRONG PASSWORDS**
   Unique, complex, using numbers/symbols/upper & lower case.
2. **AVOID PHISHING SCAMS**
   Watch out for fake emails, malicious links, or requests for personal data.
3. **PROTECT PERSONAL DATA**
   Be cautious with sharing sensitive info online, names, addresses.
4. **ENABLE TWO-FACTOR AUTHENTICATION**
   Add an extra layer of security to accounts.
5. **UPDATE SOFTWARE REGULARLY**
   Keep OS, browsers, and antivirus software current.

EMAIL ETIQUETTE (NETIQUETTE)

1. **PROFESSIONAL SUBJECT LINE**
   Be clear, concise, and descriptive.
2. **FORMAL SALUTATION**
   Address the recipient politely, e.g., Dear [Name]].
3. **BE CONCISE & CLEAR**
   Keep messages focused, use short paragraphs.
4. **AVOID CAPS & OVERUSING PUNCTUATION**
   It looks like shouting! e.g., NO YELLING!!!
5. **PROOFREAD BEFORE SENDING**
   Check for typos, grammar, and a professional closing.
6. **BE RESPECTFUL & TONE AWARE**
   Maintain a polite and professional tone.

BECOME A RESPONSIBLE DIGITAL CITIZEN
